“ I was so saddened to hear of Janets passing. I will never forget how sincere a friend, and how kind you've always been to me. As you always told me, from one redhead to another, we'll always be kindred spirits, and I am honored that you were my friend. I'll be seeing you one day on the other side of that beautiful river. You can pick me up on that pretty blue Harley and we'll let the red hair fly in that angelic breeze! :) I love you "Lucy".

“ It is hard for me to think of Jan not with us here. When I think of Jan my mind is filled with all of the wonderful, precious childhood memories that come rushing back. There are so many, we were blessed as children with a close family and a love like no other, that only we cousins know and feel. Jan's smile, her constant fight with her beautiful red hair! July 4th homemade icecream, catching lightning bugs in a jar, riding the bus to Woolworth to see Aunt Billie and get something to eat, riding the conveyor belt, those fun filled summers and holidays, weekend trips to Texarkana, then Mesquite, Jan's purple Grimlin car, ha. We had so much fun. Last April 14th I looked up and there was Jan at the family reunion, I was so happy to see her it had been way to many years that had passed. The time we got to share that short afternoon, are forever a priceless memory and blessing, they will be in my heart forever. I love you Jan and will see you again one day, until then. All my love always, Nancy

“ I will never forget all the summers in Galveston/Texarkana/Dallas and all the Nov/Dec Deer Camps with Jan. We were Crazy Cousins together and had so much fun as kids growing up together. We were so lucky to have a family that brought us all together and were able to truly be best friends with our cousins. Jan, I love you and will truly miss you. Am so blessed I got to see you in April at the Frazier Reunion. I know you are having one big happy family reunion in Heaven today !
