“ Dear precious Janice, I just found out today that you had passed & it makes me incredibly sad. I first met Janice in a group meeting 24 years ago & it was an instant friendship. We shared lots of laughs, lots of tears, and I always loved Janice's words of wisdom. I always felt she was wise beyond her years. And when she met Randy, we were all so happy for both of them.

So, my sweet friend, I am sorry I didn't know.... but I think you will forgive me. You are forever in my heart.

Until we meet again,
Nancy

“ David F. Kern, Little Rock,
I wish to extend my sympathy to Janice's husband, Randy, and the rest of her family.
Janice was my boss when I retired October 1, 2023, from the Family Health Branch of the Arkansas Department of Health. I lost a friend, a supporter and an inspirational guide through public service in Arkansas. For 26 years she gave the State of Arkansas her all. She was a true public servant intent on improving the quality of public health in Arkansas. She knew the state government system, and she imparted wisdom and know-how to accomplish her assigned tasks, great and small, and to lead staffers reporting to her. She was a team player and team leader. She kept me on task and was understanding, patient and kind as we problem-solved together the challenges we faced. Working for her over a two-year period was a joy. May she rest in peace. May we all remember her example of dedication and service.

“ I’m saddened to hear of Janice’s passing. I didn’t know her well, I took a grant writing class she taught at De Queen, AR last year and I was signed up to take it again this month. I really enjoyed the class. While teaching the class Janice was friendly yet professional, she made learning enjoyable . I wish I had 1/4 of the knowledge she had. A very smart lady. She will be missed. My sincerest condolences.

“ I have many fond memories of Janice throughout the years we spend together in school. Many fun nights at slumber parties. But, one of the memories that stand out the most was of her taking care of me when I was in an accident at school and she was there for me until my Dad came and got me to go get stitches. Janice was a true friend and will be missed by all who had the privilege of knowing her. Rest easy my friend; I will see you again on the other side.

“ I had the privilege of growing up with Janice and being part of the Class of 87 with her. Janice had such a kind heart and sweet spirit. I honestly do not remember a time that I saw her without her sweet smile. My condolences to her husband Randy whom she adored, and to her family and friends and fellow classmates. You are all in my thoughts.
