“ *Jeana I only knew you a short while but I sure am blessed to have known you at all. You truly are one of the strongest people I know. You held on way longer than anyone expected which only shows how strong and amazing you are. You have touched the hearts of everyone you ever came across in your short time here on earth. You are loved by so many and will be missed dearly. We will keep you alive in our hearts and memories. Love you Jeana* ❤️🙏
