*Dear Family,  
Uncle Jerry was bigger than life! He filled a room with his presence even when he was quiet. He had a great sense of humor and he genuinely cared about those around him. When he was talking to you, he was wholly with you. Jerry was a very giving man and he loved Angie and his family fiercely. He was very loved by his extended family, as well. Jerry will be missed here on earth as heaven rejoices that he has gained his reward. Lots of love, Susie & Pat*

“ *I have so many memories of Uncle Jerry! I loved his smile. He and Angie were so close to our age, we always felt close to them. I can't just pick a memory but he was always interested to hear what you were doing and he always had that grin that made you know he was fun to be around. We loved him and we love all of you!
