“ Jill and worked together at Trice Elementary school. I remember her great personality and big 😊 smile. She and I shared a few stories during our conference as we both had a couple of boys who decided to flex their muscles during recess. We together solved the conflict!!

Jill will definitely be missed.

I went to school with Jill and Johnny. My heart goes out to the family and I'm sorry for their loss. She was such a kind person and a great teacher when she had my daughter at Monticello. I don't think I can remember her ever saying a unkind word about anyone. The world is a little bit sadder and a little worse off without her
