“ *I worked with Jimmy for several years at Service Paint / Brock. Jimmy has been one of my favorite people to work with over the years. We went through several "battles" together on the job. Some of my favorite memories of Jimmy is how much Iced tea he could drink (The value of Lipton Tea stock has to drop), along with our talks about his garden, new trucks, and lawn mowers. Anyway - we will all miss him and our prayer are with you all.*
