“ *I'm very sad to see the passing of a very old friend! I started first grade with jimmy and graduated with him too!!! I remember how quiet he was and he would probably say he remembered how loud I was! I saw his life in the pictures and the love he Haddie his family!!! I am praying for Gods comfort for you all and especially his pretty mother that I remember well.*

“ *I have known Jimmy just about my entire life, we started out riding the bus together many years ago. He was always a friend to me, always ready to help if I needed it. Our family's made many memories riding the back roads, camping on cotton wood schoals, and just hanging out. I will always think of those memories with a smile. So glad you got a phone in that nursing home so that I could call you on my way to work and tell you good morning and that we all loved you. We will miss you Jimmy Hinton. I know Heaven had the doors open for you sweet man. Until we see each other again , R.I.P. Jimmy Hinton, you will be forever missed.*
