“ *Jimmy was one of my most favorite people growing up as a kid. He always had a way to make me laugh and I loved him so much. I remember laying around in the living room and him always playing with me and my brother. He always had a smile on his face. And he always had on his coveralls that I loved. Praying for everyone.*

“ *The first time I met Jimmy he sold me a mower. I was young and shy and he told me to ask him for a cheaper price on the mower. He was teaching me to bargain. Thank you Jimmy! We will miss your wit and humor!*
