“ *Harriet, I was very sorry to hear of the loss of your daughter. I was not acquainted with her as an adult but still remember her around the age of seven years old when you would go walking around the town of Foreman with your children. Cherish all the good memories you have of her and may you have peace remembering all the good times you shared.*

“ *I remember Jo as a beautiful smile. She always seemed happy and made anyone who saw her happy also. She was a very sweet girl in school. I was a year ahead of her but I can remember passing her in the hallway and always seeing that smile. Although I have not seen her since 72, I am saddened that she has passed. My thoughts and prayers go out to her family and friends.*
