“ I have wonderful memories of Joyce. She was a gentle, kind and caring person. Joyce was my classmate in high school and we graduated together. During our years at school, we both played the trombone and were in the stage band together. We had reconnected in the last years through facebook and I got to see how beautiful she still was and got to see pictures of her girls. I am terribly sorry for your loss. I pray for Joyce's husband, daughters, my other classmate - twin sister Janet, and Joyce's other siblings, parents and Joyce's friends.

“ My deepest sympathy for Joyce's family. I am so sorry to hear of this. I graduated with Joyce & Janet from Tekamah-Herman high school in Nebraska. Played trombone in the band with Joyce. Bike rided over to their house in the summertime. Will never forget that huge hill they had for a driveway! Alot of fun high school band memories, like riding the bus and being in the parade down in Texas over Thanksgiving. Or the band competitions with Joyce & Janet. And going with them to church activities, I think over to Fremont, NE or a church camp. May her family know that they are in my prayers and find peace through all of this.
