January 1, 1946 - October 19, 2020

Judy A Carter, a loving wife and mother of three children, passed away on Monday, October 19, 2020 at age 74 at her home in Foreman, Arkansas.

Judy was born on January 1, 1946 in Portsmouth, Ohio moving to southern California during childhood graduating from San Pedro high school. On August 10, 1963 she married Leslie Carter in Las Vegas, NV. They raised 3 children, Tabetha, Charles and Robert. She spent her working years as a professional tax preparer, owning her own business for many years.

Judy enjoyed traveling, embracing the American adventure be it camping, boating or sight seeing. She enjoyed spending time with all of her family near and far. She always enjoyed a good riddle or complex puzzle to challenge her wits. She cherished good conversation with family and friends. She had polio during childhood which, though, diminishing her mobility in later life, never extinguished her zeal.

Judy was preceded in death by her parents, Charles and Helena Craycraft. She is survived by her husband Les, and her three children, Tabetha Carter, Charles Carter and Robert Carter, three grandchildren, Kaitlin Carter, Kady Snow and Cassidy Snow, 5 siblings James Craycraft, Jerry Craycraft, Charlene Cooper, Robert Craycraft and Helena Holman, numerous nieces and nephews and several cousins. “ Aunt Judy,

*I have so many fond memories of you and am grateful for your influence in my life.*

*Where to even begin? Mesa, AZ and that swimming pool we never wanted to get out of. Road trips in the RV. The pontoon boat and learning to water ski at Lake Havasu. Playing Trivial Pursuit and Wheel of Fortune until all hours of the night. More laughs with you and the family than I can count.*

*I will miss your sharp wit, candor, encouragement, and generosity; swapping pictures of our 4-legged kids; our shared love of designer shoes and chocolate truffles; most of all, I will miss your warmth and the love you have always shown me.*

*Rest in Peace.*

“ Judy it wasn't supposed to be this way. Not sure how to move on. Not sure how to stop crying. I no longer have my road trip partner, casino buddy and late night snacking companion. We sure did put away a lot of watermelon! Thank you for helping me get thru some rough spots with Nick. I love you and you will forever be in my heart and mind. Not going to lie...this really hurts! Miss you already..Charlene

“ Judy,

*Your not supposed to be here. We're not supposed to see your picture in the Obituaries.*

*No! I'm not ready to let you go. I'm not done talking to you. I'm not done laughing with you. I'm not done with us beating Charlene and Les in cards.*

*I was just kidding when I told you I wanted my side of the bed back, I really didn't mind sharing.*

*My best memories of you are all of them. Every up, every down and every in-between.*

*I love being your sister and I'm SO grateful I had the opportunity to tell you that so many times.*

*Rest In Peace now and please visit me anytime in my dreams, because remember you are forever in my heart.*

*Love You Jan  
(Lil sis)*
