“ *I was sad and so shocked to hear about this. Brian, please know that I am praying for you, and all the rest who love her and are feeling this loss, during this difficult time. Although it's been a while, I always felt connected to Kathy by the common bond of love for our fur babies as well fabulous skin care and make up products. Such a sweet soul who will be greatly missed.*

“ Brian we are sadden by your loss. I had the pleasure meeting Kathy during numerous trips to Dillard's. I was checking out at the cosmetic counter and Kathy waited on me and told me she was my neighbor. I was totally surprised and introduced myself and we have been close friends ever since. She has gone above and beyond the call of duty helping get the items that I needed. I am saddened she is gone but I know she is in a better place.
