“ *Mimi ~ I loved you very much. You were a part of my life since I was 13 years old, & a constant part of it during my entire teenage years. I loved you as if you were my Mimi, too. I spent many, many days & nights in the old house, & have numerous memories there. Throughout the years after, if we saw each other, we always talked & you always made sure to hug me & tell me you loved me. I'm glad I got to be a part of taking care of you the last couple of years & the memories we would talk about. Rest easy now, Mimi* 💕
