“ I took this picture, I'll never forget we had went to the lake to take pictures, I just had to post it, he always had the sweetest smile. I miss him so much. My days have been so dark lately. Even though we weren't together, I'm still grieving and finding it hard to accept your gone. Our song was the best of intentions by Travis Tritt , I find myself playing it more and more everyday. God give me strength to let go and know he is with you and Tommy. ☐☐
