“ So sad to hear of Tiny's passing. Have a lot of memories of him and Miss Sophie visiting us and Lis and the kids. He was a kind, easy going friend. Fun to be around. Always there if you needed him. Just give him a call. Will miss him, but glad he is in a better place. Prayers to the family.

“ Uncle Tiny was an amazing man. I really enjoyed listening to all the family stories. He told them so well.. My best memory is when he was teaching me how to build my own incubator to hatch some chicken eggs in a cardboard box since we didn't have a real incubator lol it was fun and I will cherish that memory and hold it close. Not to long ago he asked me how many chickens I have now? I told him 15 and I just hatched 6 more he laughed said he made a monster out of me. I told him no lol I am done hatching for now... RIP Uncle Tiny.. I am so blessed to got to meet him.
