“ *Elaine and Kenny, So sorry to hear about Kevin and you both are in my heart and prayers. I wish I could be there so badly right now. Kevin was always very special to me and his eyes and smile always warmed others and made them smile. He had that very radiant smile and caring nature about him. He always thought why not smile, life is good and that is the way he lived life. The world could and did appreciate the attitude he always exuded to others. If there ever was a kid that thought 'outside the box'..... iT WAS KEVIN and at a very early age. Thank you Kenny and Elaine for always allowing him to excercise those times and in addition, always encouraging him even more so. He learned more of the things that 'sometimes did not work out ... as planned'. I simply loved his view on life and Heaven now is getting ready to enjoy that spendor of Kevin as well. He will add a little spice to the conversations up there in his own unique view of things and of course.... THE SMILE.Again Kenny and Elaine, so sorry and please know I could be there with the two of you to comfort and share previous memories.*

“ *My deepest sympathies to the Cowling family. Kevin will be truly missed by his family, friends, colleagues, and community. While I unfortunately didn't know him very long, I will never forget his smile, optimism, and great sense of humor, along with his willingness to lend a hand to a stranger and welcome me into the business community with open arms. Prayers for Kevin's family and friends.*
