“ Dear Lainie, I miss you so very much I think about you all the time even when I'm sleeping or happy, I still think about you, I miss you during school, when I cry at school I think about you all the time, nobody knows how much I love you and miss you I hope we meet again one day, you will always know that I love you, I remember when we were doing our project in 3rd grade and you said I love me I miss those days. When you said that I was scared to tell you that I loved you, but when you left I was crying, I was praying, in my heart that day I was depressed and I felt that one of my bffs were hurt. I didn't know how to react, I didn't know what to do, but when we got home after I took a shower, my mom told me about you I was crying all night,, bit when I went to see you I was like why did this happen? Did I do this to you? I was just there Crying and waiting for you to say something but you didn't, you were just laying there sleeping and watching me. I just know now that you are watching me and happy and in a better place now and that's all I want for my people up there in heaven ♡ I miss you so very much Lainie, I love you very much and I know you do too ♡ I will always remember you in my heart.

This precious Angel is the same age as my son, and I've known her family for many years. Praise God that she knew her Lord and Savior and her family and friends can take comfort in knowing that she is with all of her loved ones in Heaven. May God bless them with peace, comfort, and strength during this horrible time. RIP sweet girl!!

Lainie, I don't know how to begin. I'm so lost without you. I miss you so much it hurts. My pain will never get better. The only thing that would be if you were back home with me and daddy. I'm sorry. I wish that I had spent the time I had with you bonding more than teaching. I never thought my time with you was limited. So I tried to teach you to be a woman. I tried to teach you how to grow up when I should have been letting you be a kid while you could. I watch your videos on YouTube everyday. Just so I can hear your voice. I never had the opportunity to be a mother so I tried to be the best mama I could to you. I was so proud of you. We didn't tell you that as much as we should have. But we were so proud of you for everything you did. You were the best thing that ever happened to me Lainie. I will forever miss and love you with my entire heart and soul.

*Love forever,
Mama Tara and daddy.*
