“ Okay okay okay.
My hero.
My grandfather.
The hardest working man you've ever known.
Pretty much invincible.
A man of god.
Who loved every last one of us. No matter what.
Everyone's life line.
Anything you needed, he was the one you would ask if you didn't
know what else to do or go.

Such a good soul and a joy to be around. His smile could light you up for days and his positive outlook was always welcomed. He will be greatly missed but long remembered. We were fortunate to have had him as part of our family for these many years. RIP old friend.
