“ My precious brother, The time we had these pasted 6 months were truly a blessing from our heavenly Father. We shared some really good home cooked meals, games of spades and lots of laughter too. The time was to short but knowing you are with Mother, Daddy, Ray Anthony and all the family there is all I could have ever asked for. Being in the presence of our Lord and Savior keeps my heart and mind with peace. I will miss our laughs, spades games and times together. I know I will see you again, so until then I will be celebrating your new life at home with Jesus! WOW! I love you brother and always have!!! Your baby sister, Tina

“ *The Journey, don't think of me as gone away my journey has just begun life holds so many facets, this earth is only one. Think of me as resting from the sorrows and the tears in a place of warmth and comfort where there are no days or years, think how I must be wishing that you could know today that nothing but the sadness can truly pass away. Think of me as living in the hearts of those I touched, because nothing loved is ever lost and I was loved so much..... I LOVE YOU MY DAD ..YOUR DAUGHTER KATRINA REST IN JESUS ARMS.....*

“ Sandy, I know your life is going to be so different without Lester, but i will always be here for you if or when you need me. Lester fought a long hard battle and stayed with you as long as he could. I know he was met at heavens gate by so many that had gone before him and i know that as they searched the book of life his name shined brightly and he smiled from ear to ear as he caught a glimps of the magintude of God himselfas he was welcome into the kingdome of heaven. ( and i want to be mad at him cuz he got to go before me) another piece of my heart is in heaven tonite) I love you so much
