“ *It's hard to express the feelings of loss when it comes to someone so close and dear. She had a heart of gold and was one of the truest friends I have ever come across. My heart goes out to David and Tyler during this time. Praying for strength and comfort for them during this time. Anyone that had the pleasure of knowing her personally knew she was a special someone that could light up the room or set off fireworks. Lol She will truly be missed and baby girl all I ask is save me a seat on the other side. Love u dearly and watch over us bc u was always our angel.*

It's so hard to believe or even register that you're gone, I'm glad that I had the privilege of being a friend of yours. You were a true friend and a joy to be around. I'll never forget you Liz. David and Tyler she loved y'all dearly, she's your guardian angel now she'll always be with you. Rest In Peace Liz....
