“ Lori was my bonus sister when I was a teenager, sweet sister to my best friend Donnie (Slick) and daughter to my Mo Momma, as I always called her. Lori was always so pretty with her dark hair and always smiling face. In the past years she would always ask about my family of mom and dad, brother and sisters. Recently she'd always ask about my wife Nancy who is in hospice care. You see, you talk to lots of people who ask about your family, but when Lori asked it wasn't a short conversation. Lori really cared about others and their problems or happiness. She was a person you'd never forget when you met her. My prayers are with all the family. You don't need prayers now Lori. You are in the hands of the one who answers them for us all. Ron & Nancy Stuart
