“ A genuinely caring person describes Lucy Davis. I remember when my brother-in-law, Donald Davis, died. I told Lucy that my sister, Peggy, could not walk down the hill to pick up the paper. She said not to worry because she could take care of that matter. The next morning Peggy's paper was sitting in her driveway and Lucy continued to deliver the paper there until Peggy moved to the nursing home.

My thoughts and prayers are with the Davis and Castleman families and I pray that only the sweetest memories of Lucy fill your thoughts.

*Sincerely,
Connie Penny*

“ We are so saddened to hear of your loss. In 1968, we lived close to your family and since I was a young, new mom Lucy helped me so much. Enjoyed visiting in your home - both your parents were always so much fun; especially the fine your mom made pinto beans in the pressure cooker and the lid blew off, scattering pinto beans everywhere. It's been a few years since we have seen Lucy, but we thought of her often and have very fond memories of our times in Arkadelphia. May God bless your family during this time
