“ *Many years went by in our younger days and we didn't know each other because of circumstance not in our control but a few years ago we found you and was so glad to get to know you again. You , Dora and sweet Shelley have been a blessing and even though you were away from your Bailey family many years it was like yesterday when you started visiting your cousins here in Arkansas. Truly you are a Bailey to the core and I was so blessed to have known you. You are with your precious Dora now and I know are very happy. WE will miss you and the stories of childhood you told. What a wonderful example of a Christian man. Shelly our prayers are with you and Luther Ray and grandchildren.*
