“ *We met Meme in 1995 when Patti and I started working together. We all adopted each other. She always came to Little Rock with Patti when we had classes. Greg would take off work and Adam would miss school and the 3 of them would go shopping while Patti and I were stuck in classes. It's been years since we've seen her but she has always been in our hearts and prayers and will continue to be in our hearts. We will miss you Meme but i know you are watching over us in Heaven.*
