“ *There are so many memories that I shared with Margaret when we were in high school I can't begin to verbalize a particular one. We were together almost constantly and I was at her house as much as I was at mine. Her family was like my family and I am so glad I was able to speak with her during the last days. Mickey and family you are not along in your grief. May God Bless!*

“ Being a dear friend of Mark's I have had the opportunity to eat some of Mrs. Lewis's homemade cookies. It was my privilege to meet Mr. and Mrs. Lewis and have Mark share the stories of their retirement travels. I pray the beautiful memories of Mrs. Lewis bring more smiles than tears in the coming days.

“ I was so sad to hear of Mrs. Lewis' death. Mine is one many lives influenced by Mrs. Lewis. In fact, I studied and became a business teacher because of her. You may not remember, but I babysat for you all when. Was in high school! I wanted you all to know that you are in my prayers. I pray that I was the influence to my students that she was to me.
