“ *Margie was very special to me. The finest Christian lady you could ever want for a friend. She was my prayer partner for many years. She is talking to JESUS right now. Praise God.*

“ *To our Precious Cox Family friends, Our thoughts and prayers are with you on Marjorie's graduation home. She, as you all, have been a blessing to my wife and I for many years. The most important memory that we have of her is that she always had a smile and pleasant manner. Whenever I asked her how she was, she would answer (as you already know) "I am blessed". What a blessing I would receive each time I asked. I can only imagine how she is now with perfect health and with her Lord and Savior - Jesus. Please know that we will be holding you up through the next few weeks. Love you all.... Bro. Bill and Sis. Bev Bertrand*
