“ *I will ALWAYS remember my best friend of over 20 years! She had a good heart and soul! She sure was a talker! She would sure tell it like it was whether you liked what she said or not! We spent many many hours on the phone and knew EVERYTHING about each other! We laughed, we cried, we got angry, but no matter what, we were always loyal to each other! I Love you Kay, and you will forever be in my heart!*

“ *I will always remember the good times with Martha growing up as cousins. We always had fun and laughter. She was a strong person to have gone through the challenges she has had the last few years. I pray she is at peace now. I will miss her. Tish, Tony, Tommy, and Patty I am sorry I will not be able to be with you today. My thoughts and prayers will be with you. Love you all.*
