“ *Mary was a blessing! She would ask if she could ride with me for the entire route before being taken home. I would tease her about having a boyfriend, and she would laugh and say "NO WAY!". She loved her church family & her family at the senior citizen center.*

“ *Mary has been a very faithful member of Bethel Missionary Baptist for several years. I love to tease her and I would always greet her be saying, " Mary, Mary, Quite Contrary, How does your garden grow"? She would always laugh. Bethel will miss her presence for years to come!*
