“ *I want to give my sincere condolences to the entire family. Having been a neighbor of Matt's grandparents, Gary and Rita for many years. I watched him grow into a handsome young man. The thing I will remember most is his loving smile. He had a smile that could light up the darkest of rooms. You will be sorely missed and KNOW you were loved by many! Besides your parents... Your Grandparents adored you and told me many funny stories of both you and your brother. Keep the smiles and laughter coming up there in heaven until we can all be there with you~ xxx*
