“ Berle was one of my favorite aunts. I loved her laugh! I can remember those summers in Stuttgart at their home, that wonderful swimming pool. She taught me how to make what she called "Sizzle Burgers", I would make those for my kids, and they are still my favorite burger. I am so glad I got to see her this past July at our family reunion! I really liked sitting at the table with her and Betsy and Calvin. She was always sweet and nice to me. Thanks to all that shared this with me, sometimes I am the last to know. I love all you guys and love the memories that I share with you. At last she and Crandall will be together again. God bless her and keep her. She will be missed.
