“ With Love I pray for peace, comfort, and acceptance of grieving the homecoming of Uncle Mike to family and friends. It is my belief that he is now seeing, recognizing and celebrating with granny and moma; worshipping our Lord, King, Father and Creator. Uncle Mike was always kind and just to me. And though through the years I have lived apart from many, each time I seen him he still had kindness and love in his eyes. I am so thankful he no longer has to suffer from illness. His earthly body is at rest, but his spirit remains in each of you. He loved you..very dearly.
