“ *Back in high school the Methodisy Church used to sponsor sock hops after our high school football games. Patty was my dance partner whenever she wants to do the "bump" she picked me. She was way above me socially at that time. Dancing with Patty put me on the map with my guy friends because Party was so popular and beautiful. I'm great full to have known her because she was a sweet spirit.*

“ I wish I would have had the pleasure of knowing Patty sooner but the time that I did get to spend with her will forever be in my heart. She is the toughest person I have ever seen and kept her sense of humor even at her sickest. I will miss her and I will be praying for peace for your family!!!

“ Heartfelt condolences for your loss. I will always remember going to the sand pit with Patty, Cindy, Tammie and James Edwin and their horses. Tammie's, Ginger, sank in the wet sand. James Edwin got her out, Tammie wouldn't let anyone ride her home. May precious memories help ease the pain.
