*I met Patsy, as we called her, in the 1st grade at Burke St Elementary. During that year, her mom became ill and needed surgery. Patsy stayed with me and my family during that time. I loved her being with us. She was like a sister I'd never had! I remember crying so hard when her mom became well enough for her to go back home. I did not know she'd been ill. Through Facebook I'd been able to correspond with her some over the past years. I knew she'd been a nurse and that did not surprise me. She had a big heart for others!
I'm sorry I was not able to attend her service. Praying for her children and grandchildren. May God's promises through His Son, Jesus, give each of you peace and comfort, knowing she is safe and well now in the presence of her Lord and Savior!
My deepest sympathy,
