“ Uncle Pete became my uncle when I was just about 5 yrs old me my mom(susan) and daddy (Don) at the time drove to Iowa, to see Dons family, and all I knew was that I was going to meet my one and only uncle pete. when we arrived at their house I ran into the room yelling "uncle pete" "uncle pete", and jumped into his arms. he was only about 18 yrs old at the time. and ever since that day he was my uncle Pete. I loved him then and always will, but now he is in heaven reunited with his brother (Don) my daddy. I will miss him so much just like I still miss Don, but one day I will see them again. Love you both , Stacy
