“ I just found out as we were having our meeting for the Bossier Academy 2015 schoolwide reunion. I am so very sorry. I lived in Florida for many years and had no idea. He was one of my best friends in high school. Randy was one of the funniest guys at school and always a gentleman. My husband passed away in 2000 and now I believe Randy has met him in Heaven. In Peace Randy

“ Dearest Tammy and Family,
I think of Randy often. I know this has been a hard year with your loss of him and Joseph, but as we know we have to go on.
He was such an entertaining guy! He could sure make me laugh. He always had a story to tell. I want you to know I haven't forgot you in my prayers. Take care.
Love always,
Janet Johnson

“ Larry and I were so shocked to hear about such a wonderful person passing away. Your family has had more heartache recently than I can begin to understand. Randy was an amazing person. As a teacher, he was one of the best parents I've ever had. He and Tammy were such a perfect couple. Both so sweet. No matter where Randy was, it was evident his wife and children were the loves of his life. Our community has truly lost an amazing person. I pray the Lord wrap His arms around Tammy and the children. We are always here for all of you. God Bless and keep you all.

“ My deepest Sympathy to Randy & Tammy's Family. I have so many fond memories of Arden. In those memories are the sweetest an funniest man I have ever had the honor to know. He always called me Feetle Farlie. His nickname for me, little Laurie. I would always smile when he would say that. My Heart goes out to the Loving Family this wonderful Man. Love ya'll.
