“ *People who are truly rays of sunshine are a rarity and I was fortunate to know such a person in you. I count your friendship as one of the jewels of my life and will be forever grateful for this.*

Until we meet again on the other side, my friend.

“ *Randy you have gone on to be with our Lord & Savior but, you will never be forgotten! The lot at John Gibson Auto Sales will never be the same. Everywhere here there is a memory of you. Sometimes we reminisce here with smiles and laughter and other times we reminisce with tears in our eyes. You have forever left a good imprint on each of our hearts. Your smile will always be remembered by many. I wish that you could just walk by our desk one more time waving & then backing up to wave again as if we didn't see you...lol. You were quite a character. I'm praying that all of your family & friends will find comfort during this time. I'm not one to bet but I can say with confidence that I think that anyone on the face of this earth that starts a sentence with I knew Randy Hill the end of that sentence would be & anyone else that knew him was touched by him & loved him too! Rest in Peace my friend. Until I see you again my friend....Misty Means*
