“ Randy was one of the best people i have ever known, i just seen he has passed, im very confused and totaly in deseray about his death, but i had to take time say few words. Randy was one of the kindest person, he loved his family and friends, i grew up with kirk and rodney, lived thru some hardships with him and his family, he done concrete work for my late husban Howard Rawlinson, cant express what precious person Randy was to everyone i knew that knew him. “ Randy was my cousin by blood, but became more like a brother in the last few years. I will always treasure the time we had together, and wish we could have had more. I will think about and miss him every day for the rest of my life. There were not many men like him, and I was blessed to be his relative. RIP my brother, and I hope you are at peace. Eric
