“ *To Mr Rene's family. I am so, so sorry to hear of this devastating news. Mr. Rene was such a positive, friendly presence to all who knew him. I will never forget seeing his smiling face at Walmart and just how friendly and patient he was. We in the pharmacy absolutely loved him. My prayers go out to all of you- his family and friends. May God wrap his arms around you and comfort you in this time of great loss. May he also offer peace as only he can. I am truly sorry and know he will be remembered by all who knew him.*

“ *Rene, my brother, was a kind, polite, very talented and sometimes stubborn man. He loved his family dearly and was especially proud of the wonderful women his daughters had become. I hope he and our Dad are making music in heaven together now.*
I love you!

“ *I could tell a million of them but this was when he was selected to run the on ship radio station on the US Kitty Hawk during the Vietnam conflict era. Rene was not the most talkative person in the World but when he said something it was something that should be heard. Well,,, that did not work well on radio where there needed to be something said or some song played on a regular basis. It was not long before the officer in charge issued a statement to Rene, "Too much dead air Rene! Pick it up!" and as usual he always obeyed orders.
Love ya Man. Say hi to Marsha.*

“ Words cannot express the sorrow for the loss of Rene. I've only known Rene through the Barber Shop but he was truly an awesome man to have gotten to know. I truly enjoyed his company during his hair cuts. I know he'll be greatly missed. His hair cut buddy I know will miss their routine outings of Academy and Tamollys. May God bless and keep each and eveyone that he has touched by his love and friendship.

“ Godspeed Rene. I still remember the stories you'd tell us boys when we'd come over to hang out with Emily. You will be missed.
