“ *The world and her family and myself lost a very special person. I've known Rhonda since she was young. Her sister Vicki and I met in first grade and even though Rhonda aggravated us to no end for years, we also had great times together and even though still loved to prank people, grew into a wonderful loving person I'm so glad to call my friend also. My condolences, thoughts and prayers go out to her family, friends, and loved ones. Will always miss you and love you Rhonda 🙏*
