“ *So sorry to hear about Ricky, I have thought about the Deen family so many times over the years. I lived next door when they lived in Linden. Candy is my age and Ricky was a year older than me. I have several pictures of those times. I always thought their family was so glamorous because Lois and Travis were both such attractive people and they had a pink caddillac. Rickey was "all-boy" and I cherish the memories I have of Penny, Rickey and Candy. I know that he will be missed. Teri Washington Boland 903-756-7427*

“ We were childhood friends. Had a good time playing together in the neighborhood. We had so much fun together. Penny, Candy, and Glenn were so missed when they moved to Lone Star Texas.

Was so surprised when I read about Ricky in the paper. The family has my greatest condolences. I know Ricky will be missed. I hope to be at his Memorial Saturday. My love goes to all of yo
