“ *Cecil & I are so sorry to hear of your loss. We just saw the obituary. Both of us worked with Richard for years at Potlatch now Clearwater.*

I want share one of my fondest memories of Richard when I took my cat to a shift safety meeting. Richard was up front talking safety. Little did Richard know my kitty was behind him standing up on his back legs with his front feet in the air acting just like Richard. Everyone cracked up and Richard had a weird look until he looked back to see he was being mimicked.

*Our deepest sympathy,
