“ *I met Richard a year ago at Christmas. Before I met him, I felt that I already knew him. I had heard so many stories from Jason Turner. From what I knew about him, and just the time I was around him, he never met a stranger. He had a huge heart and loved his family dearly. I know that he kept me smiling and laughing while we were there. My heart is broken for the family, however knowing that he is in Heaven in no more pain is a little comfort for them . Jason and I love you all and we will keep Richards memory alive.*
