“ *My deepest and most heartfelt sympathies to my friends, the family of the man that has my utmost respect and admiration. Words are inadequate. I am truly sorry for what you're experiencing right now. Please let me know if there's anything I can do to help. Your dad opened his home to me when I was going through a difficult time. Regretfully, it was a debt never repaid. Believe that I am at your disposal for whatever and whenever you may need me. Although no words can really help to ease your loss, know that you are in my thoughts. I hope to visit his final resting place soon to pay my respects.*
