“ I knew instantly that me and Mrs. Patt were gunna be buddies!! she was such a carefree loving spirit about her and she was so much fun to be around. If I had only know that when I went in that morning to see her that it was going to be the last time I would have stayed a bit longer. I loved her like she was my own family. Wish I would have meet her sooner, but GOD always has perfect timing. Mrs. Patt I will miss you always, and I am glad you are pain free!! I have listened to Little Red Riding Hood and Spirit In The Sky in honor of you!! you will always be in my heart, Angie
