“ *My condolences to Rose's Family. Rose & I hired in together at Nekoosa Papers in 1976 & worked in the same department for many years. She was always in the middle of something, in other words there weren't many dull moments when she was around. I consider her a friend that always had time to speak & stop & talk where ever she met me. I know that I will miss seeing her at Farmer's Market, with her smile. Rest in Peace Rose.*
