“ *I often think of Glynn. I am so glad that I had the opportunity to get to know him. He was never at a loss for words and it was a pleasure to hear him talk about the past. He loved his family and friends so much and his eyes would light up when he spoke of them. I am very sorry for his loss and will miss him.*

“ Our prayers are with the family. Glynn will be fondly remembered the way he was when we worked at the propane office together. He was always there for us. He was quick with a laugh and a joke. He called me the girl as tall as "a hundred pound cylinder". He was a good guy.

“ My thoughts and prayers are with Mrs. Brenda and the family. I worked with Glynn at Petrolane for several years. Every morning I was greeted with a hug and he would say how are you this morning Tam Bo. He was a great man and always had a kind word. He will be greatly missed. So glad I got to spend several years with him.
