“ I am heart-broken for you - Lynda, Buddy and Suzie and the entire family, for your loss. We know all of our days on Earth are numbered, but it just always seems too soon! Hard to let go, even knowing he has gone on to his Eternal Home. I'm praying for comfort for you during this time, praying that your memories make you smile, and for God's Everlasting Peace that only He can provide. Hugs to you! Love, Dianne
