I was born with bad kidneys and back in the day they could treat me at LR Mem. And Rusty always took care of me. Then that hospital fell apart and I had to go to Wadley. I'm sorry I didn't know I'm in a nursing home in Nashville bed ridden I'm only 48 I'll always love Rusty He was a good man

Rusty and I worked together at Little River Hospital years ago. Such a smart guy and one of the few nurses that truly cared about his patients! Work was always fun when he was around. He will be missed!! ❤️
