“ So sorry to hear your loss. So many of you children, grandchildren and great grandchildren I know and are very special to me. Kyle, Gina, Glen and Katelyn - spent many years with you playing ball and traveling to tournaments along with Starnes. Never can thank Glen enough for the hours he gave to Starnes and the boys to win so many tournaments and develop life long character skills. You helped Starnes and I so much with Ball and "raising" him....Tommye jo and Ottis - many meals Starnes has eaten with you and you have been so special to us - providing such a great example of a giving family. Tommye Jo - so giving of her talent and time to help us at Richmond with playing the piano. Judge Mike Cranford - wonderful Judge, friend and representative for all of us. We all have been blessed with this family and I am sure Mrs. Madden had a huge influence on the great traits you all possess and give so graciously. Rejoice in what your Mother left behind - a great family who lifts us all up!
