“ *Dear Susanne, I just wanted to pass on to you all how sorry I am to hear your mom passed on, I know how hard it is to say goodbye. I really want to tell you how dear and sweet your mom always was to me. I never saw her that she did not have a smile and nice words to say. She was such a friendly and lovely person and I am glad I got to know her. She was always at our basketball games and it was always a boost knowing she was in the stands rooting for us. You had a wonderful mom and dad, all my family thought the world of them. Sincerely, jimmie hays*

“ My prayers are with the family of Mrs. Walker. It was my honor to have Mrs. Walker in an Introduction to Computers class when I was teaching at Ashdown High School. It was one of the most enjoyable classes that I have ever taught. Mrs. Walker was a wonderful person and I am so glad that I got to know her. May God bless all of you.

“ Suzanne and Burton, Mary and I want to offer both of you our deepest sympathies. We understand what a difficult time this is for you and what a hard time you will have adjusting to your Mom not being here. We believe that she is in a better place. As a neighbor lady offered to my Dad when his Mom passed, "Congratulations, your Mom has graduated before us and is looking forward to our coming". We remember both your Mom and Dad as always being the "life of the party" when the family would gather. They were always happy and were able to pass that happiness and joy to all around them. Your folks will always be greatly missed! Any time any of your families will be going through Tennessee, you will be more than welcome to stop and stay with us.

“ Suzanne and Burton, We send our sincere sympathy. We have such fond memories of your Mother. She was a sweet friend and although it has been a long time since we left Ashdown we still think of all our friends and miss the good times we shared.
